A Better Harvest

Coming together with Christians of other denominations across our local area is an even better way to celebrate God's goodness in the harvest. On Sunday 26th September at 6.30pm we invite you to gather with us at Calvert Methodist Church, Mount Pleasant road, for this time of thanksgiving.

Harvest Services

Our own events at St. Barnabas & St. Helen's are on the morning of Sunday 3rd October and we invite you to bring donations of suitable foods to be distributed to those in need locally.

Support for Rwanda

Bishop Ken and Mrs. Jill Barham are kindly running a stall of Rwandan crafts in the hall after St. Helen's morning service October 31st. Please bring your money to buy gifts (perhaps for Christmas) and raise funds for the excellent work they do in East Africa.

Light instead of darkness

October 31st is actually "All Hallows Eve" (from which, sadly, the world has taken the word "Halloween"), so we want to reclaim it for the Saints ('Hallows') of light instead! On that Sunday Rev. Andrea Williams will lead a Taize Service of Light at St. Barnabas Church at 3.30pm. It will include silence, meditation, Taize chants, candles, etc., to point us to the King of Light.

One in Wonder

Please plan to join our brothers and sisters at our termly gathering of prayer and Praise on Wednesday 3rd November at 7.45pm in St. Helen's Church. We'll hear stories of what God has done, plans for the future, and an encouragement from scripture, as well as spending time in prayer and praise.

Creative Day of Prayer

St. Helen's Church will be taken over by all sorts of creative things to deepen our relationship with God, in a day led by Rev. Andrea Williams and Mrs. Jill Hartman, 10am - 4pm September 11th

A Extraordinary!!!

God is so Good

For about 18 months I have been in a lot of discomfort due to a prolapse and back pain. As a motorbiker this has caused a lot of friction at home as we were not able to take part in the fun and charity rides last year which we normally do together.

In December I had an operation to repair the prolapse, so we thought everything would soon return to normal, however, my yearly bone density scan said differently; it revealed that the spine was deteriorating.

The doctors were very concerned and said that I would have to have a cage put over my spine. I must lose weight, do no heavy work and NO biking. The operation was due June/July. At the end of May my dear friend, Jenny Betts asked me if I would like to go to a healing weekend at Crowhurst with her, it felt right, and so I did.

The healing of my spine started there, and also some family baggage wounds, which were well buried and forgotten, or so I thought, but Jesus thought differently and both Jenny and I left feeling emotionally renewed.

The hospital pre-operation test baffled the doctors as my bone density had increased by 2%; they wanted to see me again in 4 weeks.

On Sunday 13th June we attended a special meeting at Kings Church, which continued the emotional healing process.

BUT for the first time in my life I felt the full force of the Holy Spirit at the Healing Service at St. Helen's on 20th June. How wonderful was that!

The result of this was NO OPERATION; my spine density had improved by about 5% according to my spine specialist so I have been re-classified as having osteoarthritis (no longer 'brittle spine'). I only have to use my stick on long walks as there is still some weakness there, but I now have full movement back in my arms and legs.

The doctor asked me "What are you doing? Whatever it is keep doing it," I told him about the Lord and the Holy Spirit and the power of Healing Prayer. He was speechless.

In a couple of weeks we are off on a biking weekend.

PRAISE THE LORD!"

Where Does The Money Go?

In October we will be explaining our finances as a family in this parish - where the money comes from, how it is spent, and what our long term needs are. With the theme of 'Giving for Life' we'll introduce the wonder of God's generosity at our Harvest Services on October 3rd, rejoice in His kindness and call

for us to give seriously on October 10th and have a presentation about the details and the need on October 17th at both morning services. Further details will come in a letter to all members, but please try to be with us for those dates (especially 17th) and be praying about how the Lord is leading you.

Go... and heal the sick

This is Jesus' command to all Christians, so St. Helen's Parish is backing "Healing on the Streets" in our town centre, which offers prayer for Jesus' love and power to change lives.

Outside McDonalds each Saturday morning (10am - 12 noon) we fly a banner and offer to pray for the hundreds of passers by. Please pray about this, and if you feel so called, please join us.

See Rev. Chris Key or Dr. Susanne Jones.
